I want to take an active part in the school community and demonstrate to my children the importance I place on their education. My decision for "Friends of BCS" is a commitment to the school my children attend.

Eva Knorr, antropologist and mother of Levi, Leo, Eli and Emma

I am a member because I like to be part of the process of creating the environment in which my children learn and live.

Hans-Werner Meyer, actor and father of Callum and Duncan

I became a "Friend" because I wanted to join in with other parents and students to support projects strengtning our school community.

Doreen Plischkaner, general manager Berlin Mobil, mother of Leonie and Hedi

Both my kids love music and I was happy to support the Friends of BCS to create the Cosmic Sound Studio at the school.
